

The Canadian Chamber of Commerce in Latvia (CanCham)  
is organizing a business mission from Canada to Latvia

from **Thursday, March 29<sup>th</sup> to Sunday, April 8<sup>th</sup> 2018**

The mission will connect Canadian entrepreneurs and businesses to those in Latvia and Northern Europe in order to develop strategic partnerships to promote each party's business objectives, whether those objectives relate to the import or export of goods or services, or the development of their respective businesses in the region. The business program will focus on each participant's individual requirements. This will also be in part, a family event that includes spouses, children, and partners with a program that includes cultural events, entertainment and tours.

If interested in participating, please register your interest at <http://cancham.lv/events/latvia-2018>. We will then provide you with details and additional information as it becomes available, and will need information from participants to identify priority needs. Please note that scheduled dates and program will be adjusted to meet these needs and the interests of the participants.

For further information, please write to Ed Kalvins at [info@cancham.lv](mailto:info@cancham.lv).

Please visit our web site at <http://cancham.lv/>. Relevant notifications about this mission will be sent directly to you, and updates will be posted in <http://cancham.lv/news> and <http://cancham.lv/events>.
